Touchscreens, Monitors & Displays

· Inventory Monitors

· Tablets & Smart Phones

· Digital Displays

· Mobile Terminals

· Kiosks

Our trusted family of innovative cleaning products and solutions are designed to effectively clean, restore and protect sensitive touchscreen surfaces in today's logistic and warehouse environments. Proper routine cleaning and disinfecting is paramount to maintaining touch recognition performance, protecting sensitive surfaces from disruptive contaminants and most importantly, keeping warehouse staff safe & healthy.

INDUSTRY CHOICE

KICWipes™ For Touchscreens

Safely clean and restore touchscreens back to pristine clarity without leaving behind pesky fibers or streaky residue. These specialty wipes are ready to use, ultra-soft, presaturated using a nonhazardous cleaning formula and packaged in single-use pouches or resealable canisters for easy access when needed.

❯ **K2-WST50CD -** 5x6in (12x15cm) Wipes, Single Pack (50 wipes/box)

❯ **K2-WLT50CD -** 7x10in (15x25cm) Wipes, Single Pack (50 wipes/box)

❯ **K2-WC100CD -** 6.5x8in (16x20cm) Wipes, Canister (100 wipes/canister)

32oz - ClearDisplay™ Screen & Technology Cleaner

No matter the size or how many touchscreens or displays need cleaning, our 32oz everyday multi-surface cleaner will cut down on the amount of work needed to properly clean with every squeeze. This specialty cleaner is ready to use, nonhazardous, delivers a streak-free finish and perfect for ridding your touchscreens of everyday contaminants - especially when paired with our premium dry microfiber wipes.

❯ **K2-CCD32N1 -** 32oz (946mL) Bottle w/ Trigger Spray

Microfiber Dry Wipes

From buffering screens to effectively removing dust and grime from sensitive surfaces, our premium microfiber dry wipe will outperform other dry cloths and rags every time! Constructed of hydroentangled microfibers, these specialty wipes are durable, highly absorbent, capable of removing particles as small as bacteria and compatible with all KIC cleaning solutions.

❯ **K2-WMLZ50 -** 12x12in (19x19cm) Dry Wipes (50 wipes/bag)

❯ **K2-WMSZ50 -** 6x6in (14x14cm) Dry Wipes (50 wipes/bag)

DISINFECTING PRODUCTS

DiSantech™ Disinfectant (Approved on EPA's LIST N for use against SARS-CoV-2, the Cause of COVID-19)

Protect your touchscreens against harmful germs and viruses without damaging sensitive surfaces. This specialty disinfectant is EPA registered, NSF certified, formulated using plant-based ingredients and kills over 99.9% of bacteria & viruses.

❯ **K2-CDS32N1 -** 32oz (946mL) Bottle w/ Trigger Spray

❯ **K2-WC100DS -** 6.5x8in (16x20cm) Wipes, Canister (100 wipes/canister)

EPA REGISTERED

ALSO AVAILABLE

KICWipes™ For Electronics with 70% Isopropyl Alcohol

Removes light contaminants from electronic surfaces and features fast drying properties to ensure a spot-free finish every time. VOC/GHS compliant and recommended by many OEMs around the world for cleaning today's electronic surfaces.

❯ **K2-WST50IPA70 -** 5x6in (12x15cm) Wipes, Single Pack (50 wipes/box)

❯ **K2-WLT50IPA70 -** 7x10in (17x25cm) Wipes, Single Pack (50 wipes/box)

❯ **K2-WC100IPA70 -** 6.5x8in (16x20cm) Wipes, Canister (100 wipes/canister)

Thermal Label Printers

· Shipping Label

· Receipt

· Linerless Label

Our trusted family of innovative cleaning products and solutions are designed to effectively clean, restore and protect thermal label printer technology in today's logistic and warehouse environments. Proper routine cleaning has shown to improve label print quality, extend the lifespan of printheads and significantly reduce the threat of media jamming and unnecessary device downtime.

Grab 'n Go Cleaning Kit for Thermal Label Printers

Everything you need for a safe and complete clean in the palm of your hands! This easy-to-use cleaning kit is conveniently packaged for easy access when needed and contains single-use products designed specifically to safely clean, restore and protect the printhead, platen roller and housing.

❯ **KW3-KLPN1 -** Kit Contains: (1) Waffletechnology for Thermal Label Printers, (1) KICWipes for Multi-Surface

ROUTINE CLEANING PRODUCTS   FOR PRINTHEAD, PLATEN ROLLER & CUTTING KNIFE

INDUSTRY CHOICE

Waffletechnology® For Thermal Label Printers

Take the guess work out of safely cleaning your printhead with Waffletechnology®. This specialty cleaning card outperforms ordinary flat cards and other cleaning methods by using USP Grade Isopropyl Alcohol and patented spring-loaded waffles that reach and gently remove disruptive contaminants from the recessed printhead surface. Waffletechnology is trusted and recommended by OEMs around the world to help maintain reliable label print quality.

❯ **KW3-T26B15 -** 2in Card (15 cards/box)   ❯ **KW3-T36B15 -** 3in Card (15 cards/box)   ❯ **KW3-T46B15 -** 4in Card (15 cards/box)

Thermal Printer Pen with Chisel

Make quick work and safely clean without damaging performance-critical surfaces. This reusable cleaning pen features an ultra-soft tip that releases USP Grade Isopropyl Alcohol for precision contamination removal on the printhead, platen roller & cutting knife.

❯ **KT-PJC2B12 -** 6in Pen w/ Chisel Cap (12 pens/box)

CORRECTIVE CLEANING PRODUCTS   FOR PRINTHEAD, PLATEN ROLLER & CUTTING KNIFE

Adhesive Remover Pen with Chisel

When adhesive buildup interferes with your thermal printer's performance, reach for our adhesive remover pen to quickly and safely restore your printhead back to new. This specialty pen features a chisel cap and a durable, yet soft pen tip that releases our specialized adhesive remover formula to instantly breakdown and loosen stubborn adhesive buildup.

❯ **KT-PJC2B12AR -** 6in Pen w/ Chisel Cap (12 pens/box)

DISINFECTING PRODUCTS   FOR EXTERIOR HOUSING

DiSantech™ Disinfectant (Approved on **EPA's LIST N** for use against SARS-CoV-2, the Cause of COVID-19)

Protect your touchscreens against harmful germs and viruses without damaging sensitive surfaces. This specialty disinfectant is EPA registered, NSF certified, formulated using plant-based ingredients and kills over 99.9% of bacteria & viruses.

❯ **K2-CDS32N1 -** 32oz (946mL) Bottle w/ Trigger Spray
❯ **K2-WC100DS -** 6.5x8in (16x20cm) Wipes, Canister (100 wipes/canister)

EPA REGISTERED

ALSO AVAILABLE

KICWipes™ For Electronics
with 70% Isopropyl Alcohol

❯ **K2-WST50IPA70 -** 5x6in (50 wipes/box)
❯ **K2-WLT50IPA70 -** 7x10in (50 wipes/box)
❯ **K2-WC100IPA70 -** 6.5x8in(100 wipes/canister)

Flat Cleaning Cards
For Thermal Label Printers

❯ **K2-T26B25 -** 2in Card (25 cards/box)
❯ **K2-T36B25 -** 3in Card (25 cards/box)
❯ **K2-T46B25 -** 4in Card (25 cards/box)

Cleaning Swabs
with 99.7% Isopropyl Alcohol

❯ **K2-S4T50 -** 4in (50 swabs/box)
❯ **K2-S6T50 -** 6in (50 swabs/box)

Handheld Technology

· Mobile Terminals

· Barcode Scanners

· Tablets

· Wearables

Our trusted family of innovative cleaning products and solutions are designed to effectively clean, restore and protect handheld technology in today's logistic and warehouse environments. Proper routine cleaning and disinfecting has shown to maintain reliable performance, protect sensitive surfaces from everyday disruptive contaminants, reduce repair costs and most importantly, keep warehouse staff safe & healthy.

INDUSTRY CHOICE

KICWipes™ For Multi-Surface Cleaning

Safely clean and restore handheld screens, housings and reading windows back to pristine clarity without leaving behind pesky fibers or streaky residue. These specialty wipes are ready to use, ultra-soft, presaturated using a nonhazardous cleaning formula and packaged in single-use pouches or resealable canisters for easy access when needed.

❯ **K2-WST50CD -** 5x6in (12x15cm) Wipes, Single Pack (50 wipes/box)
